

Covid Safety Guidelines (Revised)

Attendance

The number of attendees will be limited in accordance with the Rhode Island Phase III plan. We are allowed 40 percent of the stadium capacity. We asked that once an athlete has finished with their competition, that they leave the Conley Stadium facility. Spectators should also leave immediately upon completion of the event that they came to witness.

Athlete Screening & Testing:

The OSR Spring Track & Field Series will follow all Rhode Island State Guidelines in the Phase III plan put forth by the Governor. All athletes will have screening questions and temperature checks at the entrance of the facility. If the results of this screening deem an individual to be a risk to the public health and safety, they will not be permitted to enter the facility and will be asked to leave the premises. USATF does request that all athletes be Covid tested within 72 hours prior to the meet. We will have a Rapid Covid Testing Tent at Conley Stadium on Thursday, April 22 from 5-7:30 p.m.. We will have a limited supply of Test kits on location, and encourage athletes to get tested prior to the meet. Testing for the May 1 meet has not been determined yet.

Athlete Entrance / Check In:

All athletes must utilize the finish area gate to enter into the facility. Clerking area near the starting line of the 100-meter dash/hurdles.

Spectator Screening / Entrance:

The OSR Spring Track & Field Series will follow all Rhode Island State Guidelines in the Phase III plan put forth by the Governor. All spectators will have screening questions and temperature checks at the entrance of the facility. If the results of this screening deem an individual to be a risk to the public health and safety they will not be permitted to enter the facility and will be asked to leave the premises. Once inside the facility all spectators will be directed to be seated in the bleachers and social distancing rules will be applied. Spectators must wear masks during the entire time that they are on the Conley Stadium Property.

Masks:

As of March 12, 2021, masks must be worn at all times by everyone at the Conley Stadium facility including athletes, spectators, officials and meet personnel. They must be worn properly so that they cover both the nose and mouth. Anyone who is repeatedly asked to put their mask

on will be asked to leave the event. We will update this document if COVID restrictions are lifted. If restrictions change, we will notify athletes.

Field Events:

Shot Put / Weight Throw/Javelin: Athletes must sanitize hands before the event begins. Shared implements must be cleaned/disinfected between participants' use.
